Watch this short film and answer the questions below.

- Who is Anna?
- Who does she live with?
- What do their neighbours and family think about her?
- Where do her parents take her? Why?
- What does Dr. Artmann think is Anna's problem? How do Anna's parents feel about the news? What is the solution he proposes?
- What present does Dr. Artmann give Anna before she leaves?
- What kind of audience is the film appropriate for? Justify your answer.
- Have you liked it? Would you recommend it? Why/why not?

Next, use the following questions to discuss the problems of teenagerhood with the students:

- What are the problems teenagers face with their families?
- As a teenager, did you feel/have you felt people around you don't understand you?
- What do you think about the solution proposed by Dr. Artmann?
